

# The PlumpJack Family of Wines

## PlumpJack

Gavin Newsom and Gordon Getty established PlumpJack Winery in 1995, inspired by one of Shakespeare's most memorable characters, Sir John "PlumpJack" Falstaff. PlumpJack's down-to-earth, fun-loving, irreverent nature is rivaled only by his fierce loyalty to Prince Hal (Henry V), with whom he shares more than a few goblets of sack (wine) at the local tavern. "If sack and sugar be a fault," intones PlumpJack, "God help the wicked." At PlumpJack we appreciate this hearty fellow's priorities. We pay allegiance to our world-class vineyard by crafting wines of the highest quality and we celebrate the convivial spirit of our namesake with their inviting, approachable style.

## CADE

Founded in 2005, CADE Estate Winery is a complement to the valley floor terroir of PlumpJack Winery. Like PlumpJack, CADE takes its name from Shakespeare, who used the term to refer to the wine casks—or cades—used to transport wine from Bordeaux to England in Elizabethan times. Our vineyard estate sits high above the fog line of Napa Valley on Howell Mountain, at an elevation of 1800 feet. The entire property is organically farmed and the winery is the first LEED (Leadership in Energy and Environmental Design) Gold Certified estate winery in Napa Valley.

## Odette

Welcome to Odette Estate, a vineyard tucked under the dramatic palisades of the Stags Leap District, right along Silverado Trail. The Stags Leap District's distinctive soils are famous for imparting unique characteristics to wines—including extraordinary power delivered with delicately articulated structure, varietal aromas and flavors. This strong, feminine personality recalls the charisma of Odette, a woman who appears throughout history, literature and dance. The entire estate is farmed organically and we broke ground on a new LEED Certified organic winery in 2013. In its' inaugural vintage, Odette wines have received numerous accolades from top critics; garnering high marks for the Estate wine and top marks for the Reserve.

## Pinot Pioneers: Calera & Talisman

### Calera

Calera is a vision, and Calera's wines truly express the sense of place. Rather than follow the recommended path, Josh Jensen became a pioneer in search of the perfect spot on the globe to grow grapes. Taking his cue from the great domaines of Burgundy which have grown grapes in limestone soil for centuries, he set out in search of the perfect spot in California to create wines unique to the world but in the style of the greatest wines of France. Site selection was vital as he ventured off the grid to plant on the site of an old limekiln in the Gavilan Mountains of California. Today Calera wines still express that pioneer spirit and are revered the world over. We are proud to report that even Robert Parker is convinced: "Calera is one of the most compelling Pinot Noir specialists of not only the New World, but of Planet Earth."

### Talisman

Talisman's goal is very simple: The creation of delicious Pinot Noirs that are true to their roots and accurately reflect their places of origin. Each of Talisman's vineyards have been selected for their unique site characteristics and potential to convey distinctive and singular terroirs. Emphasis is placed on achieving perfection in the vineyard and preserving the essence of place. Each individual vineyard dictates the personality of the wine. Bottlings are typically a diminutive 200 to 300 cases.
