

The PlumpJack Family of Wines

PlumpJack

Gavin Newsom and Gordon Getty established PlumpJack Winery in 1995, inspired by one of Shakespeare's most memorable characters, Sir John "PlumpJack" Falstaff. PlumpJack's down-to-earth, fun-loving, irreverent nature is rivaled only by his fierce loyalty to Prince Hal (Henry V), with whom he shares more than a few goblets of sack (wine) at the local tavern. "If sack and sugar be a fault," intones PlumpJack, "God help the wicked." At PlumpJack we appreciate this hearty fellow's priorities. We pay allegiance to our world-class vineyard by crafting wines of the highest quality and we celebrate the convivial spirit of our namesake with their inviting, approachable style.

CADE

Founded in 2005, CADE Estate Winery is a complement to the valley floor terroir of PlumpJack Winery. Like PlumpJack, CADE takes its name from Shakespeare, who used the term to refer to the wine casks—or cades—used to transport wine from Bordeaux to England in Elizabethan times. Our vineyard estate sits high above the fog line of Napa Valley on Howell Mountain, at an elevation of 1800 feet. The entire property is organically farmed and the winery is the first LEED (Leadership in Energy and Environmental Design) Gold Certified estate winery in Napa Valley.

Odette

Welcome to Odette Estate, a vineyard tucked under the dramatic palisades of the Stags Leap District, right along Silverado Trail. The Stags Leap District's distinctive soils are famous for imparting unique characteristics to wines—including extraordinary power delivered with delicately articulated structure, varietal aromas and flavors. This strong, feminine personality recalls the charisma of Odette, a woman who appears throughout history, literature and dance. The entire estate is farmed organically and we broke ground on a new LEED Certified organic winery in 2013. In its' inaugural vintage, Odette wines have received numerous accolades from top critics, garnering high marks for the Estate wine and top marks for the Reserve.
